STEP 1. COME PREPARED

- Bring a copy of your sales order. Please note, payment card must be presented when collecting goods for all orders paid via credit card, otherwise goods will not be released.

STEP 2. TOOLS SHOP

- Head inside the ParkerTools shop. Simply let a member of staff know you are there to collect and they will do the rest!

VEHICLE LOAD RESTRICTIONS INFORMATION

If you are carrying loads on a roof rack your load must not extend more than 3 metres from the edge of the front seat and 4 metres behind the rear axle.

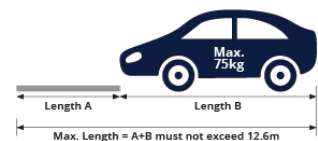

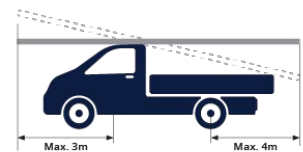

Flags, warning panels or lights (white and amber for front and red for rear) must be attached to the ends of a load which overhangs 1 metre.

The maximum length of your car plus the load must not exceed 12.6m.

The vehicle must be able to be moved safely when loaded. It's the driver's responsibility to ensure the load is properly secured (using appropriate strapping) to the vehicle so that the vehicle and load remains stable at all times.

The speed limit on site is a maximum of 10mph. It is the driver's responsibility to ensure the vehicle used for transporting materials is suitable for the weight-load.
